REPORT OF STUDY ON MARA READY

KUALA LUMPUR, May 3 (Bernama) -- The report of the special committee set up to study Mara's management and financial position will be submitted to Prime Minister Datuk Seri Dr Mahathir Mohamad tomorrow, Mara Chairman Datuk Othman Abdul said today.

He said that a copy would also be submitted to Deputy Prime Minister Datuk Seri Anwar Ibrahim.

Anwar is most likely to announce the findings of the special committee on Thursday, he told reporters at the Umno headquarters here after filing his registration form to contest a seat in the Umno Supreme Council in the party election in October.

The 10-member committee commenced the study in February following allegations of mismanagement and financial losses. -- BERNAMA
