UMNO: ZAHID TO CONTINUE WITH YOUTH STRUGGLE

KUALA LUMPUR, Oct 12 (Bernama) -- New Umno Youth head Datuk Ahmad Zahid Hamidi has assured that he will continue the movement's struggle guided by the advice of Datuk Seri Dr Mahathir Mohamad on the importance of Umno strengthening Malay civilisation.

As the younger generation, he said, Umno Youth respects the advice of the Prime Minister and will hold training programmes for Youth members to foster team spirit and develop loyalty to leaders.

"We are aware of the heavy responsibilities on the new leadership and we assure that we will carry out the responsibilities well," he said during the winding up of the debate by Umno leaders at the end of the party's general assembly here.

He also called on all Youth members to close ranks now that the party election is over. -- BERNAMA
