UMNO SEMINAR ON FEEDBACK TO CHANGE PARTY CONSTITUTION

SHAH ALAM, Jan 10 (Bernama) -- Selangor Umno will hold a day-long seminar on Sunday to gather feedback from its 17 divisions on the necessity to review the party constitution to be consistent with present needs.

Menteri Besar Tan Sri Muhammad Haji Muhammad Taib said the seminar findings would be submitted to the ad-hoc committee on the party constitution, chaired by Prime Minister and party president Datuk Seri Dr Mahathir Mohamad.

The seminar at Dewan Jubilee Perak here would be attended by 20 delegates from each division, he told reporters at his office here today.

Mohammad said the issue of "bonus votes," members' eligibility in contesting party posts, money politics and party discipline were among the topics to be discussed.

Muhammad, who is also the Selangor Umno liaison chief, said the feedback from delegates was essential since it would help efforts to strengthen the party, now poised for new challenges of the 21st century. --
