UMNO YOUTH PLEDGES SUPPORT FOR SANUSI

ALOR SETAR, June 18 (Bernama) -- The Kedah Umno Youth today pledged to support all policies and programmes initiated by Menteri Besar Datuk Seri Sanusi Junid in his efforts to develop the state to greater heights.

Its leader Ahmad Lebai Sudin said the decision was made in a meeting with divisional youth leaders and committee members, here.

"We will extend full cooperation to support the policies and are confident the people will benefit from them," he told reporters after the meeting.

The movement felt the policies and programmes to be implemented by Sanusi showed that he was sensitive to the people's problems.

The meeting also passed a resolution urging the Housing and Local Government Ministry to coordinate the proper use of Bahasa Malaysia on signboards and billboards.

Ahmad said the ministry should invoke the relevant laws to standardise the use of correct wordings in the National Language.

He said the laws were there but not enforced, he said.

Ahmad said the state Umno Youth regretted if it was true that artiste M. Nasir made a derogatory remark on Prime Minister Datuk Seri Dr Mahathir Mohamad.

He said stern action must be taken not only against the Singapore-born singer but also others who belittled the Prime Minister to serve as a lesson. -- BERNAMA
