UMNO YOUTH TO HOLD LEADERSHIP CONVENTION

KUALA LUMPUR, April 4 (Bernama) -- Umno Youth will hold a two-day leadership convention for the younger generation at the party headquarters here on Saturday.

Its Youth and Graduates Bureau chairman Ruslan Kasim said today the main objective of the convention was to allow younger generation leaders to meet the nation's leaders and national-level youth leaders.

"Among those who would attend the dialogue and forum session are former student activist Datuk Fuad Hassan, Backbenchers' Club president Ruhanie Ahmad and Umno Youth Exco member Hishammuddin Tun Hussein," he told reporters here.

The All-Malaysian Young Generation Leadership Convention would be opened by Prime Minister and Umno president Datuk Seri Dr Mahathir Mohamad, while his deputy, Datuk Seri Anwar Ibrahim, would also be present, Ruslan said.

Some 1,000 participants are expected to attend the convention, he said.
