3,000 expected to attend Sabah Umno convention

KOTA KINABALU, Fri. - The Fourth Sabah Umno Convention to be held over three days beginning this Sunday is the biggest ever with about 3,000 delegates and observers expected to attend.

The convention to be held at the Shangri-La's Tanjung Aru Resort would be opened by Prime Minister Datuk Seri Dr Mahathir Mohamad.

Sabah Umno Information chief Datuk Karim Ghani said all divisional committee members, including the Youth and Wanita wings, and delegates elected for the forthcoming Umno general assembly in Kuala Lumpur were required to attend.

"We would be checking their attendance as it is compulsory for them to attend," he said yesterday.

Pioneer members of Sabah Umno and leaders of Barisan Nasional component parties have been invited.

Karim said the theme of the convention is Towards Understanding Umno's Culture aimed at instilling a greater sense of discipline among party members and enhancing their understanding on the "objectives and struggles of the party".
