4B Youth supports Daim's appointment

KUALA LUMPUR, Mon. - The 4B Youth Movement supports the appointment of Economic Adviser to the Government Tun Daim Zainuddin as the executive director of the National Economic Action Council.

Its president, Datuk Mohd Ali Rustam, said today Daim had contributed immensely to addressing the country's economic problems over the years.

"He is also highly experienced in the corporate sector," Mohd Ali said at Parliament House.

Prime Minister Datuk Seri Dr Mahathir Mohamad had announced the appointment last Saturday after an Umno supreme council meeting.
