ANWAR OPENS MIM '97

KUALA LUMPUR, May 14 (Bernama) -- Deputy Prime Minister Datuk Seri Anwar Ibrahim today opened the Made-In-Malaysia '97 Conference and Exhibition aimed at encouraging Malaysians to buy locally-manufactured goods.

The conference and exhibition was also to promote the brands of local products to that of international standard.

MIM '97 is organised by Business and Advance Technology Centre of Universiti Teknologi Malaysia (UTM) and RMC Management Corporation (M) Sdn Bhd.

It is held to mark UTM's silver jubilee celebrations and is among the measures taken to support the manufacturing and services sector in Malaysia under the University-Industry Technology Programme launched by Prime Minister Datuk Seri Dr Mahathir Mohamad last year.

The exhibition will be held for four days beginning today and the conference for three days from tomorrow at Putra World Trade Centre (PWTC), here.

More than 100 exhibition booths had been booked to display and demonstrate the domestic products, services, technology and expertise to locals and the international community. -- BERNAMA
