Society should take stock of the situation, decide on the good values it should have and how to educate our children, he said.

On the Multimedia Super Corridor, UTUSAN MALAYSIA quotes Dr Mahathir as saying that the benefits that can be derived from its formation depend on the wisdom of the people to take advantage from it.

He said the people should take the opportunity from the setting up of MSC to learn and master information technology.

They can learn new skills and expertise brought in by multi-nationals which set up their operations here.

NEW STRAITS TIMES highlights on a new pay package agreement reached between Malaysia Airlines and its pilots.

MAS pilots will enjoy a 27 per cent increase in basic salaries following the signing of a new employment agreement between the airline and its pilots' association.

The signing concluded a four-year negotiation between the airline and the association which described the agreement as a "reasonable package acceptable to the majority of its members".
