BN UNVEILS MOTTO FOR SEMERAK BY-ELECTION

PASIR PUTEH, July 29 (Bernama) -- The Barisan Nasional's motto for the upcoming by-election for the Semerak seat in Kelantan is "Time Kelantan People Changed and God will not Change the Fate of a People Unless the People Themselves Change."

Kelantan BN Chairman, Datuk Annuar Musa said the BN's message was clear that is the Kelantan people should change their attitude and shift their support for BN.

He said if the people in Semerak wanted to see development then they should give the BN the opportunity to represent them in the State Assembly.

"The shift should begin in Semerak before the PAS Government is toppled in Kelantan in the next general election," he said after naming the BN candidate for the seat here last night.

The candidate is Haji Kamarudin Md Nor, 50, a businessman.

He was selected by Umno president Datuk Seri Dr Mahathir Mohamad who is also Kelantan Umno liaison chief.

The by-election is being held following the death of the MLA for the seat Sulaiman Ahmad on July 6. Polling is scheduled for Aug 11.

Annuar said the BN would also distribute printed materials to enable the voters to make their choice and also to explain its reasons for contesting the seat.

Kelantan Menteri Besar Datuk Nik Abdul Aziz Nik Mat had earlier stated that Umno should not contest against PAS as the party had not committed any wrong against the Malays or Islam since coming to power in the state.
