BOSNIAN CHILDREN TO PRESENT RAYA CARDS TO PM

KUALA LUMPUR, Feb 8 (Bernama) -- To express their gratitude and affection to Prime Minister Datuk Seri Dr Mahathir Mohamed, 19 children from Bosnia- Herzegovina today made special Hari Raya Aidilfitri cards to be presented to him tomorrow.

Watched by their families, the children made the Manila card-size cards at a surau near their homes at the PKNS flats in Seri Kembangan, Serdang.

The children will be accompanied by four students of SAL group of colleges to Sri Perdana tomorrow to present the 19 cards to Dr Mahathir at his open house.

The children are from 23 families who had lost their homes during the Bosnian war. They arrived in Malaysia four years ago and are the last batch of Bosnians living in this country.

Earlier, the SAL group, which jointly organised today's programme with the Malaysian Bosnian Business Council, presented clothes and money to the children. -- BERNAMA
