BRUNEI SULTAN VISITS ASTRO

KUALA LUMPUR, Aug 26 (Bernama) -- Sultan Hassanal Bolkiah of Brunei today visited Malaysia's satellite television and radio broadcasting centre at the Bukit Jalil technology park here.

The Sultan was accompanied by Prime Minister Datuk Seri Dr Mahathir Mohamad.

They were received by Binariang chairman Tun Haniff Omar and chief operating officer of Measat Broadcast Network System Sdn Bhd, Paul Edwards.

The Sultan was briefed on Astro (All-Asia Satellite Television and Radio Company), which operates the centre, by Binariang director Jamaludin Ibrahim before being taken on an-hour tour of the complex.

Binariang is the parent company which owns Measat Broadcast which in turn operates Astro.

Members of the media were barred from covering the Sultan's visit to the broadcasting station.

Sultan Hassanal Bolkiah is on a four-day visit to Malaysia from yesterday.
