Charity tourney for AIDS Fund

DISNEY has been entertaining children and adults all over the world with its great films and characters, as well as charitable events.

Now for the first time in Malaysia, through its Disney Consumer Products, Disney is organising the Mouseworks Golf Classic 1997 in support of the Paediatric AIDS Fund this month.

The Golf Classic will be held on Friday at the Palm Garden Golf Club.

There to officially open it will be Mickey Mouse, Minnie Mouse and Goofy.

More than 70 golfers comprising Disney local licensees, business partners and retailers are expected to take part.

The money raised will be used to help children with HIV/AIDS with their education, hospitalisation, cost of medication and to help provide a nurturing environment for them.

Malaysian AIDS Foundation chairman Datin Paduka Marina Mahathir said she was pleased with Disney's efforts to assist the foundation in helping children with HIV/AIDS.

Renaissance Kuala Lumpur Hotel, Palm Garden Golf Club and Palm Garden Renaissance Hotel are among the main sponsors.
