DRB-HICOM ADJUDGED TOP BOOTH AT KLSE EXPO

KUALA LUMPUR, Aug 14 (Bernama) -- DRB-Hicom Group emerged as winner among 76 booths representing 173 companies participating in the Third Malaysia Capital Growth Opportunities Exposition, at the Putra World Trade Centre here.

The Kuala Lumpur Stock Exchange, the expo organiser, announced today that the second best booth award went to Antah Holdings Bhd followed by TA Enterprise Bhd, in the third place.

A team of five judges made up of media editors and KLSE officials selected the booths, giving points on overall layout and flow of visitors to the booths, overall design, adequate and relevant information provided, adequate and qualified personnel on duty, and company financial highlights and management information.

The four-day expo was launched by deputy prime minister Datuk Seri Anwar Ibrahim today.

The opening ceremony, which was attended by more than 1,000 guests from various organisations representing government agencies, regulatory bodies, East Asian and Oceania Stock Exchanges Federation members, public listed companies and members of the KLSE, also saw the unveiling of the new KLSE logo.

The expo and introduction of the new logo marked the beginning of the celebrations to commemorate the official opening of the KLSE's new building, the Exchange Square, by Prime Minister Datuk Seri Dr Mahathir Mohamad, at Bukit Kewangan here, tomorrow evening.

Besides the best booth award, KLSE would give away prizes to nine lucky visitors. Today, two visitors were picked to receive an Astro DTU system each.
