Energy related topics for oil and gas conference

THE second Asia Oil and Gas Conference & Exhibition will be a premier forum for participating companies to interact, discuss common issues, and forge new strategic alliances.

The Asian Strategy and Leadership Institute president Mirzan Mahathir said that interesting energy-related topics have been lined up, to be presented by eminent speakers.

Asli and The Conference Connection Inc organised the event which would be hosted by Petroliam Nasional Bhd. It will be held at the Shangri-La Hotel Kuala Lumpur on June 9 and 10. Acting Prime Minister Datuk Seri Anwar Ibrahim is scheduled to open the conference and exhibition.

Mirzan said that the conference would focus on global energy perspective and outlook, the impact of regional economics and politics on the energy business, Asia and the region as a refining centre, national oil companies' transformation, and future direction and investment opportunities in Asia.

Among the speakers are Petronas president and chief executive officer Datuk Mohd Hassan Merican, International Energy Agency director for oil matters Tatsuo Matsuda, Institute of Strategic and International Studies chairman and chief executive officer Datuk Noordin Sopiee, and Asean Secretary-General Datuk Ajit Singh.

The exhibition would also showcase media companies' products and services from Platts, Dow Jones, Reuters Ltd, Petroleum Argus Ltd and Petroleum Intelligence Weekly.
