Ghani-Entrepreneurs

GRAB THE MANY BUSINESS OPPORTUNITIES, SAYS GHANI

JOHOR BAHRU, May 20 (Bernama) -- Bumiputera entrepreneurs in Johor should grab the numerous business opportunities opened by the rapid economic development in Asia, Menteri Besar Datuk Abdul Ghani Othman said today.

He said the diplomatic relations with other countries forged by Prime Minister Datuk Seri Dr Mahathir Mohamad had opened many new business opportunities.

Through trade relations, entrepreneurs could not only increase their markets in foreign countries but also learn technology and expertise from the countries concerned, he said at the opening of the 16th general meeting of the Johr branch of the Malay Chamber of Commerce.

His speech was delivered out by state Housing, Small- and Medium-Scale Industries and Local Government Committee chairman Adam Abdul Hamid.

Abdul Ghani said the entrepreneurs should also master information technology to improve themselves.

He said the country still lacked Malay entrepreneurs who were successful at the international level.

Abdul Ghani believed that the bumiputera entrepreneurs in the state had changed their negative attitude which had hindered their progress. --
