(I know why (Datin ...)

I know why (Datin Seri) Dr Siti Hasmah was attracted to (Datuk Seri) Dr Mahathir...it was his forehead, his nose...and his sideburns!"
Datuk Seri Anwar Ibrahim quipped when relating how his (Anwar's) goatie posed somewhat of a problem to Dr Mahathir when replying to points raised during debate

* "Although Anwar's goatie is a problem, he is still my deputy and he is my potential successor."

Dr Mahathir responding in jest to an earlier humourous remark made by Anwar

* "Don't believe everything that Anwar said about me. They are not correct...except the goatie..."

Dr Mahathir responding to Anwar's humourous remarks about him (Dr Mahathir)

* "But problems could still crop up in this practice. It is so difficult to maintain one wife, what more two or more. I still don't know how some men keep four wives. You look to the left you see a problem, you look to the right, another problem, you look in front, one more problem. You look behind and there is still a problem".

Dr Mahathir on the complexities of Muslim men marrying more than one wife

* "(The critics) remind me of the Opposition. When we wanted to build the Subang International Airport, they questioned the wisdom of having such an expensive (RM60 million) airport.

Anwar rebutting critics of the Bakun hydro-electric dam project

* "These people are like locusts which destroy crops in one area and move to another. They start the domino process. They succeeded because they were supported by international banks and others."

Wangsa Maju Umno division chairman Datuk Dr Kamal Salih describing currency speculator George Soros and his ilk during the debate to support the motion on the economy.

* "The Multimedia Super Corridor could also mean Mahathir Sangat Cerdik, Mahathir Sangat Comel or Mahathir Sangat Cun..."

Ghazi Ramli, a Selangor Umno delegate, quipping on other possible meanings of the MSC acronym while debating the economic resolution

* "If I were in his shoes, I would have dropped to my knees in facing the assault on the country's economy."

Sabah delegate Ali Asgar Basri in his assessment of Dr Mahathir and Anwar's handling of the crisis on the ringgit and stock market

* "We get experts in every field to find ways to set up a mechanism which could act as a radar to identify and detect the attacks."

Kedah delegate Saifuddin Nasution Ismail suggesting a special mechanism to identify new forms of foreign attacks on the nation's economy.
