IPF members support Dr M's leadership

KUALA LUMPUR, Sun. - About 1,000 members of the Indian Progressive Front party today pledged support for the continued leadership of Prime Minister Datuk Seri Dr Mahathir Mohamad.

They also expressed confidence that Dr Mahathir would be able to steer the country out of the present economic crisis.

IPF president Senator M.G. Pandithan said currency speculators, like George Soros, were responsible for the economic problems faced by the country.

"People like Soros have inflicted heavy losses on all Malaysians. That is why we must continue to support Dr Mahathir as only he can lead us out of this crisis," he said.

Also present at the gathering were Umno Supreme Council member Senator Datuk Ibrahim Ali, Cuepacs president Mohamad Mat Jid and its secretary-general N. Sivasubramaniam.
