Johor Umno pledges support to Dr M

JOHOR BARU, Sun. - Johor Umno has pledged its full support to party president Datuk Seri Dr Mahathir Mohamad in resolving the country's economic woes.

State Umno chief Datuk Abdul Ghani Othman said today Johor Umno had complete confidence in the Prime Minister's ability to resolve the problems.

He added that all party branches and divisions, the Youth and Wanita wings in Johor were solidly behind Dr Mahathir.

He said Johor Umno agreed with the Prime Minister that there was a dire need to regulate currency trading in the light of the dramatic drop of the ringgit and other regional currencies.

"We will continue to put our trust and hope in Dr Mahathir to see us through this problem.

"Johor Umno will remain united and abide by whatever decisions made at the Federal level to overcome the crisis," he said after closing the Johor Development Convention.
