KELANTAN UMNO DECLARATION FOR DR MAHATHIR

KOTA BAHARU, Aug 27 (Bernama) -- Kelantan Umno will present the resolutions from the two-day Umno convention starting tomorrow to party president Datuk Seri Dr Mahathir Mohamad at a people's gathering in Semerak on Friday.

Kelantan Umno deputy chief Datuk Annuar Musa said today another document on the convention's findings would be submitted to the PAS-led Kelantan government.

The first document for Dr Mahathir would contain the seven resolutions reflecting Kelantan Umno's determination to face future challenges and wrest back the state from PAS , Annuar said.

Among the seven issues contained in the second document to be given to Menteri Besar Datuk Nik Abdul Aziz Nik Mat, was a request to the PAS government not to use mosques as political arena.

The state government would also be asked to resolve the problem of clean water supply, the controversy surrounding the Kota Baharu Municipal Council, land for the people and the government administration, he said.

The Umno convention will be attended by about 1,300 people comprising Kelantan Umno members, non-governmental organisations and corporate leaders. --BERNAMA
