MAHATHIR RECEIVES PLEDGE OF SUPPORT FROM TERENGGANU BN LEADERS

KEMAMAN, Oct 11 (Bernama) -- Terengganu Barisan Nasional (BN) elected representatives and senators have pledged to support whatever actions that the Prime Minister takes in dealing with problems faced by the country.

Datuk Seri Dr Mahathir Mohamad received a statement containing the pledge after his meeting with the State Umno liaison committee here today. It was handed over by Menteri Besar Tan Sri Wan Mokhtar Ahmad.

The Terengganu BN assemblymen, members of parliament and senators said the people in the state were aware that the country was facing a crisis that could affect the strength of the country's economy and the people's well-being.

They said they also realised that there were attempts to cause disunity among the leaders of the country and affect its stability.

The Terengganu BN leaders declared their undivided support for Dr Mahathir's leadership. -- BERNAMA
