MCA TO LAUNCH "DONATE YOUR COMPUTER DRIVE" CAMPAIGN

KUALA LUMPUR, April 9 (Bernama) -- MCA together with the Chinese Chambers of Commerce and the Chinese Assembly Hall will launch a nationwide campaign to collect and refurbish old computers to be donated to poor schools.

MCA President Datuk Seri Dr Ling Liong Sik today urged major firms who were upgrading their computer system to donate their old ones.

Speaking to reporters at his office here, he said that these old computers would be repaired and then donated to enable the poorest schools to own one.

Dr Ling said the campaign drive is in line with Prime Minister Datuk Seri Dr Mahathir Mohamad's Multimedia Super Corridor project.

"From the project, we hope that all children from the age of six will have an opportunity to use and master a computer," he said.

Dr Ling would launch the "Donate Your Computer" campaign this Friday at Sekolah Rendah Jenis Kebangsaan Tamil Bukit Jalil, in Petaling. -- BERNAMA
