MELAKA HONOURED BY G15 LEADERS' VISIT

MELAKA, Nov 4 (Bernama) -- Melaka is honoured by the visit of G15 leaders who are holding their second day of their seventh summit at a beachside resort here today, said Chief Minister Datuk Seri Abu Zahar Isnin.

The leaders, who arrived from Kuala Lumpur in two buses, are scheduled to visit several places of interest in this historical city in the afternoon.

Abu Zahar, who received the leaders, said the visit itself was historic for Melaka.

"Melaka is proud to be chosen to play host to the G15 leaders although the haze situation has deteriorated slightly today," he said at the Riviera Bay Resort, 10 km from here.

Prime Minister Datuk Seri Dr Mahathir Mohamad opened the three-day summit at the Mines Resort City in Kuala Lumpur yesterday.
