AEM: ECONOMIC MINISTERS DINE AT KL TOWER

KUALA LUMPUR, Oct 17 (Bernama) -- Economic ministers and their delegations from Asean, New Zealand, Australia, and the southern African countries were hosted to a dinner by International Trade and Industry Minister Datuk Seri Rafidah Aziz at the KL Tower, here, tonight.

As they dined on traditional Malay cuisine, they were treated to a lovely view of the capital from the revolving restaurant at the landmark tower.

The 421-metre tower is the world's fourth tallest telecommunications tower and it was opened by Prime Minister Datuk Seri Dr Mahathir Mohamad in September last year.

The dinner is in conjunction with the 29th Asean Economic Ministers meeting which officially opened here yesterday.

The three-day meeting ends tomorrow with informal consultations between Asean and Japan, China, and South Korea. -- BERNAMA
