New general manager for KPA soon

KUALA LUMPUR, Fri. - The new general manager for the Klang Port Authority will be announced within the next 10 days, Transport Minister Datuk Seri Dr Ling Liong Sik today.

He said the appointment of the person to replace Datuk M. Rajasingam who retired recently, had been approved by Prime Minister Datuk Seri Dr Mahathir Mohamad.

"However, I cannot disclose the name now as several things have to be addressed first, like getting the endorsement of the KPA promotion board."

He added he did not want to jump the gun by announcing the name.

Dr Ling was speaking after presenting diplomas to 481 graduates of the Tunku Abdul Rahman College at its campus in Setapak.
