Nik Aziz to greet PM arriving to witness signing of agreement

KOTA BARU, Tues. - Menteri Besar Datuk Nik Abdul Aziz Nik Mat said today that he would be at the airport to welcome Datuk Seri Dr Mahathir Mohamad on April 4.

He said he would also accompany the Prime Minister to witness the signing of an agreement between Kewangan Usaha Bersatu and Keloil Sdn Bhd to develop Pantai Senok in Bachok into a petro-chemical township.

Keloil Sdn Bhd is a subsidiary of the State Economic Development Corporation.

However, Nik Aziz said the programme had yet to be confirmed.

"My only hope is that the programme will not coincide with another programme to be held the same day in conjunction with the Kelantan Sultan's birthday celebration."
