NUBE MEMBERS TO WEAR SPECIAL BADGES TO SHOW SUPPORT FOR PM

KUALA LUMPUR, Oct 14 (Bernama) -- The 30,000 members of the National Union of Bank Employees (NUBE) will wear special badges for three days from tomorrow to show their support for Prime Minister Datuk Seri Dr Mahathir Mohamad, NUBE general secretary K.Sanmugam said today.

He said in a statement issued here that the badges bearing the words "NUBE Supports Dr Mahathir" would be worn by the members in all the commercial banks and finance companies.

"NUBE is of the considered opinion that the recent currency and stock market crisis is the work of certain undesirable elements who are all out to destroy the credibility of our Prime Minister, Dr Mahathir.

"What they do not realise is that Dr Mahathir has the full support of the citizens in this country and any attempt to destroy Dr Mahathir is tantamount to destroying every Malaysian," he said.

He said NUBE believes and is confident that this time Dr Mahathir would also come out of the crisis unscathed.

NUBE also expressed its confident that investors would not be influenced by the Western mass media which seem to give a wrong picture of Malaysia as the country has got a track record which is the envy of many countries.

NUBE's support for Dr Mahathir is purely based on his track record since he became the Prime Minister.

Among his achievements include the full employment situation, income and wealth creation, adequate housing and increased enrolment in primary schools and intake of university students. -- BERNAMA
