(Prime Minister Datuk Seri ... )

PRIME Minister Datuk Seri Dr Mahathir Mohamad dismissed speculation that sabotage caused the helicopter crash in which DRB-Hicom chairman Tan Sri Yahaya Ahmad, his wife and the pilot were killed early last week.

"I wouldn't know why anybody would want to sabotage ... why would anybody want to kill him?" he said after briefing Barisan Nasional members and leaders on the Multimedia Super Corridor project and the social ills problem yesterday.

The Prime Minister was asked about the outcome of the investigation into the crash.
