FOR A GOOD CAUSE ... Malaysian AIDS Foundation chairman Datin Paduka Marina Mahathir (centre), receiving a mock cheque from Bukit Bintang Girls' School Interact Club's community service director Cindy Teoh yesterday.

The Interact Club had raised RM2,000 from the sale of T-shirts since November. The donation is for the AIDS Paediatric Fund, which is under the AIDS Foundation.

A ceremony called 'Youth's Fight Against AIDS' was held in the school in conjunction with AIDS Memorial Day.

At the ceremony, Marina spoke about the HIV virus, AIDS and on the importance of AIDS awareness.

She said most HIV positive people were between the ages of 18 and 30.

Student Kavita Kaur performed a monologue, "Get Real", a sketch about a woman who is infected with the HIV virus.
