SEMINAR ON DEVELOPING MIDDLE CLASS MALAY CONTRACTORS

KUALA LUMPUR, April 5 (Bernama) -- Selangor Guild Of Bumiputera Contractors (GBC) is organising a seminar on Wednesday aimed at increasing the number of middle class bumiputera contractors while explaining the prospects and benefits that can be reaped from the development in Selangor.

GBC chairman Datuk Mohd Said Haji Saman said the seminar entitled "Developing Middle Class Contractors of Selangor" would also identify new approaches in line with the aspirations of Prime Minister Datuk Seri Dr Mahathir Mohamad to increase the number of middle class Malay contractors in various fields particularly in the construction sector.

"This is important as middle class entrepreneurs would also be playing a vital role in a free market economy," he said.

About 200 contractors from various classes will attend the seminar which would also identify the direction and prospects as well as business opportunities in Selangor while having a dialogue with Selangor Menteri Besar Tan Sri Muhammad Muhd Taib.

The seminar is organised jointly with the Selangor Malay Chamber and Industry Malaysia (DPPMS) and Kumpulan Darul Ehsan Bhd (KDEB). -- BERNAMA
