SENATORS EXPRESS FULL SUPPORT FOR DR MAHATHIR

KUALA LUMPUR, Dec 8 (Bernama) -- Members of the Dewan Negara today expressed full support for Prime Minister Datuk Seri Dr Mahathir Mohamad and the government's measures to revitalise the economy and restore the value of the ringgit.

Earlier a motion to this effect was tabled by Senator Datuk Abdul Aziz Abdul Rahman who hit out at outside interference in the country's internal affairs.

Supporting the motion Senator Abdul Aziz condemned articles in the foreign media which discredited the national leadership.

Senators Datuk Haji Mohd Zuki Kamaluddin, Datuk Dr T. Marimuthu, Rosli Mat Hassan, Ding Seling and Mastika Junaidah Husin expressed their support for the motion. More senators will do so when the House sits again tomorrow. --BERNAMA
