Sino-Malay get-together

THE Sino-Malay Joint Chambers Council of Malaysia will be hosting a joint Hari Raya Chinese New Year celebration at the Putra World Trade Centre on March 5 1997. This is the second consecutive year that the council is organising the get-together. The Prime Minister, Datuk Seri Dr Mahathir Mohamed will be the guest of honour. The Deputy Prime Minister, Datuk Seri Anwar Ibrahim and other Cabinet Ministers have also been invited to the open house. The organisers expect about 1000 guests. The joint council was set up in 1995 for the purpose of fostering a closer relationship between the two largest business communities in the country, that is the Chinese and the Malay communities.
