SMALL and medium-sized companies involved in IT at the Multimedia Super Corridor (MSC) have access to all incentives and venture capital facilities meant for the MSC, Prime Minister Datuk Seri Dr Mahathir Mohamad said.

The SMI firms can also source funds from the Malaysian Exchange of Securities Dealing and Automated Quotation (Mesdaq).

"However, we will have to look closely at each proposal so that we will be of help to investors," Dr Mahathir said at an open plenary session after officiating the Multimedia Asia 1997 conference and exhibition.
