Study on applicability of human rights declaration

THE Government will study the applicability of the present Declaration of Human Rights at national level before proposing a review for the international level.

Deputy Foreign Minister Datuk Dr Leo Michael Toyad said if the findings of the study showed it was still relevant to the current political situation and the human standard achievement, the Government would apply it.

Replying to Hoo Seong Chang (BN-Kluang), he said Prime Minister Datuk Seri Dr Mahathir Mohamad's suggestion to review the declaration was based on the present world political situation.
