(The Government will investigate ... )

MANAMA (Bahrain), Wed: The Government will investigate complaints that charges for transporting goods at Port Klang are higher than via Singapore. Prime Minister Datuk Seri Dr Mahathir Mohamad gave this assurance during a dialogue session with Bahraini and Malaysian businessmen today. "There should be no reason why Malaysian goods transported via Port Klang should cost more than goods that are transported through Singapore." He had earlier urged Bahraini businessmen to use Port Klang as their load centre for exports to Malaysia and South-East Asia.
