(The proposed Asian Fund ... )

THE proposed Asian Fund play should not play the same role as that of the International Monetary Fund (IMF). Prime Minister Datuk Seri Dr Mahathir Mohamad said there is a need to study the possible roles to be played by the proposed fund rather than them similar to that of the IMF. "If its role is like the IMF, then it would not be relevant to set up such a fund," he told reporters in Kuala Lumpur yesterday after a question and answer session at the Global Panel.
