Umno to take strict action

UMNO will take disciplinary action on divisions which delay and restrict the entry of former Semangat 46 members into the party, its secretary-general Datuk Sabbaruddin Chik said yesterday. "We (Umno) must honour our words ... an agreement between Umno president Datuk Seri Dr Mahathir Mohamad and Tengku Razaleigh, whereby we will accept members into Umno after the S46 is dissolved," he said. He was commenting on newspaper reports quoting former S46 president Tengku Razaleight Hamzah who said that former S46 members are facing difficulties in joining Umno. Speaking to reporters in Kuala Lumpur yesterday after launching a new local adventure tourism magazine, Sabbaruddin said the party has yet to receive any formal complaint with regards to the matter.
