Ahmad Zahid urged to declare assets

UMNO Youth chief Datuk Ahmad Zahid Hamidi should declare his assets to set an example for those with positions in Umno to avoid nepotism and cronyism.

Malaysian Youth Council president Datuk Suhaimi Ibrahim said Ahmad Zahid should not hesitate to declare his assets either to Prime Minister Datuk Seri Dr Mahathir Mohamad or the public if he was sincere in bringing up the issue.

"His assets declaration will stand as a testimony of his good intention to clean up the party ... "

Suhaimi was speaking to reporters after Ahmad Zahid's speech at the Umno Youth Assembly.

Suhaimi, who is also the vice-head for Raub division, stressed that his opinion was not politically motivated but based more from the perspective of an "outsider".

He hoped that the issues of nepotism and cronyism were not raised with the aim of discrediting any quarters within the party but to check abuses as the country is facing economic difficulties.
