Isa: Rally behind Dr M

SEREMBAN, Tues. - Menteri Besar Tan Sri Mohamad Isa Abdul Samad urged everyone to rally behind Prime Minister Datuk Seri Dr Mahathir Mohamad to enable him to steer the country out of the economic problems.

Isa said the support enjoyed by Dr Mahathir must continue to enable him to take the country back to its previous growth levels.

Isa said: "The people must continue supporting the Prime Minister and thwart attempts to undermine his stewardship."

Isa who is also the State Barisan Nasional Chairman said this to a gathering of BN component party leaders, non-Governmental organisations and State Government senior officials prior to the Prime Minister's speech at the Seremban Municipal Council Hall here today.

Isa added that without the people's support and co-operation, it would be difficult for the Government to overcome the economic problems in the country.
