ANNUAR URGES PEOPLE TO HAVE CONFIDENCE IN DR MAHATHIR'S ACTIONS

KUALA LUMPUR, Oct 3 (Bernama) -- Prime Minister Datuk Seri Dr Mahathir Mohamad will not have sacked Datuk Seri Anwar Ibrahim from the Cabinet if he did not have evidence of his low morality, Rural Development Minister Datuk Annuar Musa said today.

Dr Mahathir had to sack him because he had strong evidence of Anwar's low morality, he said when launching a kampung development programme at Sungai Besi near here.

Annuar urged the people not to be emotional over the issue and leave it to the court to establish the truth.

On the programme, Annuar said it was to make the people not to be too dependent on traditional economic activities for their income.

He said several programmes would be held nationwide in the use of technology to improve smallholders' income in collaboration with Risda and its subsidiaries.
