#### Discounts for holders of Sukom's souvenir cards

KUALA LUMPUR, Sun. - The Kuala Lumpur 98 Souvenir Card launched by Prime Minister Datuk Seri Dr Mahathir Mohamad today entitles the holder to discounts of between 10 and 60 per cent at 6,000 participating stores nationwide.

Participating stores will exhibit the Gateway sign. Those interested can get the card at Bank Simpanan Nasional and Pos Malaysia outlets for RM10 each.

The card, which is valid for one year, can be renewed.

The cards will also be available from next week at Kentucky Fried Chicken, Pizza Hut and Ayamias outlets, and at Petronas, Caltex, Esso and BP petrol stations.

The card, issued by Sukom Ninety Eight Berhad and Synergy Card and Payment Services Sdn Bhd, is also a collector's item as it contains a message by Dr Mahathir and his signature.

In his message printed on the back of the card, Dr Mahathir thanked cardmembers for supporting the Games as their involvement would show the world that Malaysia is a developed and harmonious country.

The participating outlets are listed in the Merchant Directory 1998/99, which is priced at RM20.
