Division members express support

KUALA LUMPUR, Sun. - Members of Bandar Tun Razak Umno division today reiterated their support for party president Datuk Seri Dr Mahathir Mohamad and the party supreme council's decision to sack Datuk Seri Anwar Ibrahim.

Acting division chief Moin Abdul Manaf said the detention of the division chief Tamunif Mokhtar under the Internal Security Act should not be seen as an indication that the division was disloyal to the party.

Moin said the division was still unclear as to the reasons for Tamunif's detention as Tamunif was not present during the demonstrations held by Anwar and his supporters last week.

Tamunif, managing director of Avantgarde Resources Bhd, was picked up at his Damansara office at 6.30pm on Monday.

Moin urged the authorities to release Tamunif as soon as possible if investigations showed that he was not involved.
