I'M NOT INVOLVED IN DONATION COLLECTION, SAYS SANUSI

ALOR SETAR, Aug 12 (Bernama) -- Menteri Besar Tan Sri Sanusi Junid today denied that he was involved in the collection of donations for the publishing of a journal entitled "Mahathir Pemimpin Cemerlang".

The misunderstanding could have arisen because the publisher used his message which was supposed to be included in the journal, he said after chairing the exco meeting at Darul Aman, here.

The menteri besar was clarifying inquiries he received over the collection of donations for the journal's publication.

Meanwhile, Sanusi said 500 imams in the state would be invited to view the stage performance entitled "Imam" on Sept 1.

It would be held at the Wisma Darul Iman and jointly organised by the state government, Dewan Bahasa dan Pustaka (DBP), Art Foundation and Welfare Body Of Kedah State Assemblymen's Wives.
