Downright rude, unprofessional

A. Vincent & friends

IT was downright rude and very unprofessional for US Vice-President Al Gore to make such comments in support of the reformasi movement during his speech at the Apec Business Summit dinner. The speech was opinionated and an insult to Malaysians!

To Datuk Seri Dr Mahathir Mohamad and Datuk Seri Rafidah Aziz, keep up the good response to such verbal attacks! You are both doing a marvellous job defending the good image and integrity of Malaysia.
