An ode to Dr M and his leadership

W.H. Lim

IT was a proud day for all Malaysians when we organised the 16th Commonwealth Games.

Let us all support our Prime Minister Datuk Seri Dr Mahathir Mohamad.

He who brings us fame and recognition;

We must not let down our nation.

He who shoulders the economic burden;

We must not destroy it all a sudden.

He who strives to give us peace and harmony;

We must not destroy our nation, just for money.

He who gives our nation a future vision;

Let all Malaysians support him to achieve this mission.
