Dr M to meet 19,000 volunteers

PRIME Minister Datuk Seri Dr Mahathir Mohamad is scheduled to meet close to 19,000 volunteers for the Kuala Lumpur Commonwealth Games in September on April 26.

All volunteers have been advised to register at Dataran Merdeka between 7am and 9.30am.

NADI '98 chairperson for publicity Charanjit Singh said yesterday this was the first time the volunteers would be introduced to Dr Mahathir.

Sukom Ninety Eight Berhad are also expected to launch the volunteers' sports uniform.

Charanjit said the volunteers would only be told of their responsibilities two months before the Games.

"We are in the process of shortlisting who will do what during the Games. They should be told their responsibilities by July."

The volunteers will be asked to assist with general services which will include security and supervisory roles. Some will also be made attaches to the respective nations taking part in the Games.

Those with enquiries can contact Sukom's human resource department at 9455314.
