KUALA LUMPUR, Wed. - Prime Minister Datuk Seri Dr Mahathir Mohamad will visit Thailand and the Philippines from tomorrow to call on his counterparts and update himself on the economic situation in the respective countries.

"I will call on my friends, the Prime Minister of Thailand and President (Fidel) Ramos of the Philippines.

"I will also drop in at Singapore to meet Prime Minister Goh Chok Tong.

"It's just kind of updating myself on the situation in Asean countries," Dr Mahathir told a joint Press conference with Mohamad Al Fayed, owner of Harrods.

Dr Mahathir had last month been to Indonesia to meet President Suharto to discuss similar matters. He had also met Goh on this.
