Dr M to unveil new Satria and Perdana models

THE new Proton Satria and Proton Perdana, with input from Lotus Engineering, will be unveiled by Prime Minister Datuk Seri Dr Mahathir Mohamad on November 12.

"The combination and collaboration of Proton and Lotus engineers have proven very rewarding. Their achievement has been to produce cars that set dramatically higher standards in ride and handling quality.

The new models will prove even more competitive at home and abroad," said Perusahaan Otomobil Nasional Bhd (Proton) in a statement issued by the national car manufacturer yesterday.

The launch will coincide with the Asia Pacific Economic Cooperation meeting that will be held in Kuala Lumpur.

In conjunction with the event, Proton will hold a free carnival from 10am to 8pm which is open to the public.

The carnival will be held at Stadium Putra in Bukit Jalil.
