CUEPACS IN FULL SUPPORT OF ASNITA

KUALA LUMPUR, May 5 (Bernama) -- Cuepacs has expressed full support for Amanah Saham Wanita (Asnita), the first women's unit trust fund in Malaysia, launched by Prime Minister Datuk Seri Dr Mahathir Mohamad today.

Cuepacs secretary-general N.Siva Subramaniam said today women's participation was important in national economic recovery efforts.

He said Cuepacs would urge its affiliates to hold briefings for members on the newly-launched fund to attract wider women's participation.

Initiated by Barisan Nasional Wanita, Asnita is open to all Malaysians of both sexes, of 18 years and above, for a minimum of 200 units, at 50 sen per unit.

The shares can be purchased through Hijrah Unit Trust Management Berhad, a company managing Asnita, or at 464 Bank Simpanan Nasional outlets nationwide.
