GAMES: 21,000 ADDITIONAL TREES FOR COMMONWEALTH GAMES

LANGKAWI, Aug 13 (Bernama) -- An additional 21,000 flower plants will be planted under the beautification programme for the Langkawi International Shooting Range (LISRAM) in conjunction with the 16th Commonwealth Games next month.

Langkawi District Council (MDL) deputy president Mansor Ismail said the flowers were being planted in response to the suggestion by Prime Minister Datuk Seri Dr Mahathir Mohamad during his visit to look at preparations for the Games at LISRAM on Sunday.

The flowers were to supplement the landscaping project which was implemented over the past few months for completion by Sept 1, he told reporters at a press conference at his office here today.

Langkawi is the venue for shooting for the Games.
